

Uniform Scholarship and Rental Application

_____ School Year
Appendix C

The cost for a concert choir dress is \$95.00. The cost for the concert choir tuxedo is \$125.00. Because it may not be possible for some students to pay this cost, a scholarship fund has been established to offer assistance to those who need it. The scholarship is available to students currently enrolled in the FREE OR REDUCED LUNCH program at our school or those sponsored by PROJECT HEART. **Students who receive a uniform scholarship will still need to pay a rental fee for the uniform to cover dry cleaning expenses for the year. The rental fee for the uniform is \$25.00.**

If a scholarship uniform is purchased for you, it will be the property of Braden River High School, and will not leave campus with the student, except for times when the student is dressed in uniform for an off campus event. The uniform will be kept in the "Robe Storage Closet" inside the Chorus room. The student will be responsible for arriving early for concerts or trips to check out his/her uniform and dress in the school dressing rooms backstage. The student **MUST** return the uniform after each performance to the storage closet in the chorus room. The uniform will then be laundered, by the boosters, prior to the next performance.

Please complete this scholarship application and turn it in by **WEDNESDAY, AUGUST 25TH** if you will need a scholarship uniform for chorus this school year. **This is a deadline! If this form is not received and completed by WEDNESDAY, AUGUST 25TH, you will be responsible for purchasing a new uniform.**
