

Financial Aid Application for Activities/Trip or Fees

_____ School Year
Appendix D

The Cost for choir trips and fees varies. Because it may not be possible for some student to pay this cost, a scholarship fund has been established to offer assistance to those who need it. The Scholarship is available to students currently enrolled in the FREE OR REDUCED LUNCH program at our school or those sponsored by PROJECT HEART.

Students who receive a trip or fee scholarship will be required to participate in all fundraisers that are held during the school year. They will also be required to fundraise a portion of the total cost for that specific event, as determined by the BRCBA Executive Board. Full Scholarships will only be given in extreme circumstances.

If a scholarship is award, the recipient will be required to submit a "letter of review" following the event, stating the benefits of the experience. Failure to submit the final letter could affect future scholarships that you may receive.

Please complete the scholarship application and turn it in **at least ONE MONTH(30 Days) prior to a scheduled trip or activity.** Failure to submit applications in a timely manner could impact your award amount, as funds are distributed on a on a first come first serve basis.
